

## **Shetek Area Lake Association Minutes, Feb. 24th 2026**

**Roll Call** – Trevor Humphrey, Marv Nysetvold, Randy Martin, Kyle Krzmarzick, Kris Toner, Jon Hoyme, Brandon Sonstegard, Adam Humphrey.

**The Secretary's report** was read and approved w/ a motion by Jon Hoyme and a Seconded by Kyle Krzmarzick. Voted on and passed.

**The Treasures report**, was given w/ a balance of \$5,403.60. The treasures report was approved w/ a motion by Randy Martin and seconded by Kyle Krzmarzick. Voted on and passed.

**Old Business – Dumpsters** – Brandon has called to get the dumpsters picked up. It was discussed next yr. to place extra ones at the high traffic area's as there were times when they'd get full quickly. The response has been very positive, with hardly any excess trash laying around.

**New Business – Zoom link** – Marv has set up our own zoom link account. He's going to try to get the payment as automatic withdrawal from our checking account. The group agreed it would be worth it to purchase some better equipment for recording audio. **Local walking paths** – There is interest in getting a walking path from Breezy along the tar road to teepeotah and around Deer Path. There is a grant available that has a deadline of March first. Trevor met w/ DNR's reps and found out it is really meant to put additional paths onto already existing systems. If road right of ways could be used, it's something we might be able to pursue. **1<sup>st</sup> dike parking** – The old road had a small parking area on the start of the 1<sup>st</sup> dike. That area has actually been expanded a bit w/ the new road. Could that be used again for parking? Del Anderson is the owner of the land. Brandon Sonstegard will contact him to see. **Annual meeting** - It was discussed to have a small presentation of the work that we've have done in the past yr, to let members know what we've done and are planning to do.

**Motion to Adjourn** – W/ no further business at hand a motion to adjourn was made by Marv Nysetvold and Seconded by Brandin Sonstegard. Voted on and passed. Next meeting, March 17th-2026 at the Lakota Retreat Center. Minutes Prepared by Secretary Randy Martin
