Shetek Area Lake Association Minutes, Sept. 15th 2026

Roll Call – Trevor Humphrey, Randy Martin, Jon Hoyme, Steve Koch, Teresa Gilbertson, Lorrie Mortenson, Joel Oolman, Marv Nysetvold, guest Liz? (Environmental Education Coordinator)

The Secretary's report was read and approved w/ a motion by Trevor Humphrey and a Seconded by Marv Nysetvold. Voted on and passed.

The Treasures report, was given w/ a balance of $6,051.22 in the checking account. A motion was made to accept the treasures report by Teresa Gilbertson and seconded by Trevor Humphrey. Voted on and passed.

Fund Raising – Karen Schmitz and Sue Tutt do not want to do big fundraising projects anymore, but they are available to HELP w/ something. Also, maybe we can get more people that aren't on the board to help. Steve Koch nominated himself and John Hoyme to be on a fundraising committee. Voted on and passed. It was also discussed to have an Invasive species committee which Joel Oolman would chair. Voted on and passed. Joel will look into treatment options for Curley Pond leaf, and look into state and grant funding options.

Currie Damn meter – Sherrif Landsman and DNR Tom Kresko have been working on an elevation gauge so when flood waters get so high, the lake is then in a no wake zone. They've got it approved and it's coming, and will be installed once it's here.

Tree Dump – There seems to be no good solution for a lakes area tree dump. Could we talk w/ the City of Slayton, to see if we paid a fee, would we be able to use the cities? Steve would talk to some people, maybe John Bloemendaal.

Old Business - Recycling Shed – It was previously thought maybe the recycling shed could be put up by the new First responders shed. They do not want it there and Denny Johnson who owns that land and surrounding land does not want it there. Talking w/ Jean Christofels, she noted that it could be put up by the fish cleaning station. **Currie Dam –** Discussion of different variations / changes to the dam came up. It was thought such a big project would need the help of Lars Johanson.

Motion to Adjourn – W/ no further business at hand a motion to adjourn was made by Trevor Humphrey and Seconded by Marv Nysetvold. Voted on and passed. Next meeting, Oct. 20th 2026 at the Lakota Retreat Center. Minutes Prepared by Secretary Randy Martin
